Compost

BACG and Green Mountain Compost have teamed up to provide compost to BACG gardeners at discount. Using compost in your plot will greatly increase your crop yield, and it will also support the long term health of the garden. We recommend: 1-2 buckets for kitchen plots. 2-3 for quarter plots. 3-6 for half plots. 5-10 for full plots. (There are approx. 35 buckets in a yard).

Mulch Hay Bales & Straw Bales

Gardeners can order hay or straw bales through BACG and have it delivered to the garden site in late May/early June. Using hay/straw as mulch conserves water, adds organic matter to the soil, and reduces weeding. Don't let those weeds catch you in July and August! BACG recommends 5-7 bales of hay for a full plot, 3-5 bales per half plot, and 1 bale per quarter plot. Gardeners at Myrtle Street, Riverside, and Archibald should consider sharing bales as the plots are so small.

Straw is seedless and Hay is not.

Please note: BACG is not responsible for lost or stolen hay after it is delivered to the site. BACG will not replace stolen or lost hay.

ALL MATERIALS USED IN THE GARDEN MUST BE ORGANIC

Burlington Area Community Gardens Registration Form

Community Work

Each gardener (or team of gardeners) are required to sign up and participate in 4 hours of community work . If you cannot make it to scheduled community work days, it is your responsibility to make arrangements with your site leader for an individual assignment.. **Your site leader will contact you in the spring to confirm your site's work day schedule.**

Reed Garden Scholarship Information

Participants with limited income households are eligible for the BACG Reed Garden Scholarship Fund. Scholarships provide 50% of the plot fee for one full, half, or quarter per eligible household. The scholarship fund is raised through gardener donations below. Plants and seeds are also available via Community Action. If you would like to take part in the scholarship program please have your payments reflect the scholarship amount and a staff member will follow up with you. If you have any questions, please call Dan Cahill at (802)-863-0420.

Volunteering—Giving Back to the Garden

Are you interested in supporting your community garden site? BACG has many opportunities for gardeners to become involved. Volunteer to be a site coordinator and lead a community work day. Join the Special Event Committee and help organize our Spring Potluck and/or our Summer Potluck. Gardeners are also encouraged to attend and become involved on the Advisory Board which helps shape policy and coordinators educational and social events. Interested gardeners should mark below and will be contacted with further information.
