

**LEDDY ARENA**  
**2020-21 VISITOR RULES/GUIDELINES**

Welcome to Leddy Arena! We are thrilled to be reopening in September for our own skating programs as well as private rental groups. We are currently releasing ice schedules 4-6 weeks at a time, so we appreciate your patience as we work through our new normal! Some things our skaters should know:

- Masks must be worn at all times in the arena, including on the ice.
- Visitors will be health and temperature screened in the upper front lobby where there will be a table with thermometer, wipes and a sign asking you screening questions.
- Players are not to bring large equipment bags into the rink – only small gym-type bags are permitted to carry personal belongings, tape, etc.
- Visitors should come dressed to play, locker room or other spaces will not be available for changing in/out of clothes. Chairs will be spaced along the rink perimeter for putting on skates.
- Groups on the big ice should use the locker room restrooms, one person at a time (please use our new signs on the doors to indicate when restrooms are occupied). Groups on the studio ice should use the public restrooms (these are currently locked off to park users).
- Showers will not be available to rink users.
- No spectators are permitted.
- No off-ice play or conditioning is permitted.
- One parent/guardian per skater 12U and under is permitted in the arena to tie their child's skates if necessary, but are to leave the rink immediately.
- Please adhere to 6' social distancing whenever possible.
- Groups are asked to wipe down their own equipment. Our staff will be sure to disinfect commonly touched surfaces (door handles, restroom touchpoints, etc) regularly.
- No spitting on ice or anywhere in the facility
- No sharing of water bottles.
- Groups are asked to enter through the upper lobby and exit through the snack bar doors, in order to avoid contact with the next group to use the ice.
- Groups are asked to come no more than 15 minutes prior to their scheduled time and to leave promptly when finished, following the State's "Arrive, Play, Leave" guideline. This will allow us to turn over the ice more quickly and accommodate more groups.
- We will not be offering "drop in" programming – all participants will be required to register and pay for programs in advance.
- Private rental groups will be required to have their participants sign an electronic waiver before visiting the rink. Those groups will also be required to keep a roster of their participants for at least 30 days in case contact tracing is required.
- Private rental groups will be required to provide an exposure control plan (see attached template).
- Maximum occupancy of the arena is 75 – we may need to limit group sizes to keep within that capacity.
- Visitors must adhere to State guidelines regarding travel and quarantining – Leddy Arena is a public facility so let's keep it safe and fun for all!
