

**MILLER COMMUNITY RECREATION CENTER  
VISITOR RULES/GUIDELINES  
FALL/WINTER 2020 – UPDATED 10/26/20**

Welcome to the Miller Community Recreation Center! We are thrilled to be reopening this fall for our own programs as well as private rental groups. Some things our visitors should know:

- Masks must be worn at all times in the Miller Center, including during gym usage.
- Visitors will ask to self-screen in the front lobby where there is a table with thermometer and a sign with screening questions. Visitors do not need to sign in (unless instructed to) or fill out any personal or health information, this is a self-screen only.
- Visitors should come dressed to play, locker rooms or other spaces will not be available for changing in/out of clothes.
- Groups in the gym should use the locker room restrooms, one person at a time (please use our vacant/occupied signs on the doors to indicate when restrooms are occupied). Groups in the community or kids rooms should use the restrooms in the lobby.
- Showers will not be available to our visitors.
- No spectators allowed.
- Please adhere to 6' social distancing whenever possible.
- Groups are asked to wipe down their own equipment. Our staff will be sure to disinfect commonly touched surfaces (door handles, restroom touchpoints, etc) regularly.
- The gym fan will be kept on to ensure adequate air circulation, doors should be kept open whenever possible and restroom doors propped open when not in use.
- Groups utilizing the gym are asked to enter through the lobby and exit through the gym, in order to avoid contact with the next group to use the gym.
- Groups are asked to come no more than 10 minutes prior to their scheduled time and to leave promptly when finished, following the State's "Arrive, Play, Leave" guideline. This will allow Miller staff to turn over spaces more quickly and accommodate more groups.
- No "drop in" programming – all participants will be required to register and pay for programs in advance. Waivers will be required of all participants.
- Private rental groups will be required to have their participants sign a waiver before visiting the Miller Center. Groups will also be required to keep a roster of their participants for at least 30 days in case contact tracing is required.
- Maximum occupancy of the Miller Center is 75 – we may need to limit group sizes to keep within that capacity. Gym occupancy is limited to 25 people.
- Violations of building rules and/or State guidelines may result in the loss of gym time.
- Visitors must adhere to State guidelines regarding travel and quarantining – Miller Center is a public facility so let's keep it safe and fun for all!
