3. Boathouse: _____

Note: Maximum length is 40 feet.

4. Jet Ski: _____

The waitlist is used to fill vacancies at each location by beginning at the top of the list and working down. Each member of the waiting list is allowed one pass without penalty before being moved to the bottom of the waitlist. Failure to respond within 48 hours to a notification message will count as a pass. Vacancies being filled outside of our normal billing season of December through March 30th will not count as a pass. Notices will be sent out annually indicating your place on the waiting list in order to allow each member of the waitlist appropriate time to prepare.
