Support Oakledge Park's Universally Accessible Playground

Be part of the new Oakledge Universally Accessible Playground, opening in summer of 2023! Years in the making, the new playground design will provide a much-needed playspace that is accessible by every body! As Burlington's first destination, universally accessible playground, it is certain to delight many!

Your tax-deductible contribution of \$3500 will make you a long term supporter of this destination playground. To honor your gift, a personalized nameplate will be placed on the bench and will become a lasting symbol of your generosity.

I would like to support Oakledge Universally Accessible Playground with the following donation:
