Support Oakledge Park's Universally Accessible Playground

Be a part of the newly-completed Oakledge Universally Accessible Playground. The much-anticipated playground provides a much-needed playspace that is accessible to every body! As Burlington's first destination, universally-accessible playground, it already delights many!

Your tax-deductible contribution of \$3500 will make you a long term supporter of this destination playground. To honor your gift, a personalized nameplate will be placed on the bench and will become a lasting symbol of your generosity.
